

Premium Home Visit

This design is our most detailed and involves one of our designers traveling to your home, discussing the project with you, taking photographs and measurements then generating a professional design.

This design includes:

- A professional design
- A walk-through presentation at the nursery to explain and present the design
- A cost estimate for plants and other materials with or without installation

Cost:

\$250.00 & up

Design costs will vary depending upon the complexity of the design and time required to develop it.

IT ALL STARTS WITH THE RIGHT PLAN

Dayton's Landscape Design Services

Whether it's a patio, a privacy screen, an all-summer color perennial garden or the landscape around your home, you are ready for an update and we are here to help!

Our designers can compose an attractive and functional plan that is right for you. Plus, we have all of the materials and advice to give your home that professional, landscaped look.

With one of Dayton's landscape designs you will receive:

- A professional design or sketch
- A design that works for you
- Our advice to get you growing!

Quick Sketch

With a few pictures (digital or printed) and dimensions of the area to be designed, one of our salespeople can quickly design the front of a home, a privacy fence or around a patio. The plant material can be gathered and you can get started as quick as today!

This design includes:

- A quick design sketch
- A walk-through presentation at the nursery to explain and present the design

Cost:

FREE

Quick sketches are limited to just one design area including one side of a home, a small garden bed or around a patio.

\$100 Design Plan

A designer will compose an attractive and functional plan using your photos.

You must include digital photographs, dimensions and the direction North of your property.

This design includes:

- A professional design
- A walk-through presentation at the nursery to explain and present the design
- A cost estimate for plants and soil amendments with or without installation

Cost:

\$100.00

Our \$100 design plan is limited to the foundation of a home, around patios and garden beds.

Are you ready for a 4-season landscape?
